## **March Family Stability Report**

**We currently have 20 families open for service coordination and 4 children open for residential placement. Two of the four are returning home in March.**

### **Prevention**

**We are starting back up at Women's Recovery and Christopher House this week. I.H.S. has a room with a computer set up for residents to take online parenting classes at one of the two times we offer it a week. Christiana is working on starting Why Try? And Youth MOVE late spring early summer. She has been completing training for both and attending several webinars.**
