

PROBATE COURT OF GREENE COUNTY, OHIO
THOMAS M. O'DIAM, JUDGE

ESTATE OF _____, DECEASED
CASE NO. _____

**CONSENT OF PARTIES TO ALTERNATE DISTRIBUTION OF
TANGIBLE PERSONAL PROPERTY**
[Local Rule 78.2]

The undersigned, being all of the heirs or beneficiaries with an interest in the tangible personal property described below ("Property"), agree to an alternate distribution of the Property than is provided in R.C. §2105.06 or in the Decedent's Last Will and Testament. The Property is not subject to a specific bequest in the Decedent's Last Will and Testament.

Property: _____

Heir or Beneficiary to receive Property: _____

Select only one option below:

Assignment of Interest in Property

Each heir or beneficiary irrevocably assigns his or her interest in the Property to the heir or beneficiary named above. Each heir or beneficiary acknowledges this assignment of interest is a gift and does not entitle them to additional proceeds from the estate or a greater percentage of the residuary estate. Each heir or beneficiary also acknowledges that the value of the Property assigned will not count toward or otherwise reduce the proceeds of the estate or percentage of the residuary estate to which the assignee may be entitled.

Distribution in Kind

The heirs or beneficiaries agree that this is an in-kind distribution of the Property to the heir or beneficiary named above. The full value of the Property, as stated in the Inventory and Appraisal, will be counted as part of the distributive share to which the heir or beneficiary receiving the Property may be entitled.

Each heir or beneficiary has signed this Consent voluntarily and acknowledges that this alternate distribution is fair and reasonable. The heirs or beneficiaries request that the Court waive a hearing on this matter.
