**21-YEAR OLD LADASHIAUN BROWN SENTENCED TO 20-25 YEARS IN PRISON  
FOR ATTEMPTED MURDER IN XENIA TOWNSHIP**

Xenia Township, OH – Ladashiaun Brown, 21, pled guilty to one count of Attempted Aggravated Murder with an attached three-year firearm specification, one count of Aggravated Robbery with an attached three-year firearm specification, one count of Felonious Assault with an attached three-year firearm specification, one count of Tampering with Evidence with an attached one-year firearm specification, and one count of Having Weapons While Under Disability. Brown was sentenced to twenty to twenty-five years in prison. Prosecuting Attorney David D. Hayes announced the guilty pleas and sentencing, which took place on November 17, 2022, before Judge Adolfo A. Tornichio in the Greene County Common Pleas Court.

On September 12, 2022, Greene County Sheriff Deputies and Xenia Police Division Officers responded to the area of 900 Ford Road and 1281 Hilltop Road in Xenia Township where they located one female victim with a gunshot wound in the left side of her neck. The female victim identified Brown as one of three suspects involved in the shooting. She also reported her vehicle was stolen after she was assaulted. The victim was transported to Miami Valley Hospital with non-life-threatening injuries. Several hours later, Brown was located in Republic, Ohio, with the victim’s vehicle. Brown was arrested with the assistance of Seneca County Sheriff’s Office, Tiffin Police Department, and Ohio State Highway Patrol. He was transported to Xenia, Ohio, and later admitted his responsibility in planning to murder the female victim, taking her vehicle, and disposing of the firearm.

According to Greene County Prosecuting Attorney David D. Hayes, “There is a rising tide of senseless violence in our society that must come to an end. This lengthy sentence should put criminals on notice that if you commit these crimes in Greene County, you will go to prison for a long time. I would like to commend the Greene County Sheriff’s Office, especially Det. Mike Terrell, for their swift response and exceptional investigation. Assistant Prosecuting Attorneys Michele Henne and Christian Cavalier and Victim Advocate Riki Karolyi all played critical roles in this successful prosecution.”

The Defendant was on community control sanctions for robbery in Montgomery County when he committed these violent offenses. He will be on post-release control supervision for up to 5 years and required to register as a Violent Offender for at least 10 years after his release from prison.

Aaron Davis and Jahmel Morgan are also facing charges related to this incident. Their cases are currently pending before Judge Tornichio.
