

Trebein/ Valley/ US-35 Interchange Improvement Project

Background:

- This project is highly important to the safety of the travelling public in and through Greene County and is to save lives
- This proposed interchange is part of the final component of the long-term project to upgrade US-35 from I-75 (Dayton, OH) to IR-64 (Charleston, WV).

Purpose: This project is to replace the existing at-grade US-35/ Valley/ Trebein intersection with an interchange of Valley/ Trebein over US-35.

TRAC Funding History:

- The Greene County Engineer and Beavercreek Township presented this project to TRAC in 2021 for construction funding and was successful
- Greene County Commissioners providing 20% of the construction cost.

Construction:

Sale	January 2023
Award	January 2023 to Eagle Bridge, Sidney, OH for \$40.3M
Tree Removal and Utility Relocations ahead of construction	Feb/ March 2023
Begin Construction	March 2023
End Construction	October 2025
