

BEFORE THE GREENE COUNTY BOARD OF COMMISSIONERS

Resolution No. 14-7-24-11

A RESOLUTION AUTHORIZING ALL ACTIONS NECESSARY TO EFFECT A GOVERNMENTAL ELECTRICITY AGGREGATION PROGRAM WITH OPT-OUT PROVISIONS PURSUANT TO SECTION 4928.20 OF THE OHIO REVISED CODE, DIRECTING THE GREENE COUNTY BOARD OF ELECTIONS TO SUBMIT A BALLOT QUESTION TO THE ELECTORS OF THE UNINCORPORATED AREAS OF THE COUNTY.

WHEREAS, the Ohio legislature has enacted electric deregulation legislation which authorizes the legislative authorities of townships and counties to aggregate the retail electrical loads located within the respective jurisdictions and to enter into service agreements to facilitate for those loads the purchase and sale of electricity; and,

WHEREAS, governmental aggregation provides an opportunity for residential and small business consumers to participate collectively in the potential benefits of electricity deregulation through lower electricity rates which would not otherwise be available to those electricity customers individually; and,

WHEREAS, the Greene County Board of Commissioners seeks to establish a governmental aggregation program with opt-out provisions pursuant to Section 4928.20 of the Ohio Revised Code for the residents, businesses and other electric consumers in the unincorporated areas of the County.

NOW, THEREFORE, BE IT RESOLVED by the Greene County Board of Commissioners, County of Greene, State of Ohio:

Section 1. BEST INTERESTS OF THE COUNTY

The Greene County Board of Commissioners has concluded that it is in the best interest of the County, its residents and businesses located within the unincorporated limits of the County to establish this aggregation program in the County.

Section 2. APPROVAL BY THE ELECTORATE

The aggregation program must be approved by the electors of the County pursuant to Section 3 of this Resolution. Upon approval by the electorate, the County is hereby authorized to automatically aggregate, in accord with Section 4928.20 of the Ohio Revised Code, the retail electric loads (customers) located within the unincorporated areas of the County, and enter into service agreements to facilitate for those loads the purchase and sale of electricity. The County may exercise such authority jointly with any other municipal corporation, township, or county or other political subdivision of the State of Ohio.

Section 3. BALLOT LANGUAGE

The Board of Elections of Greene County is hereby directed to submit the following question to the electors of unincorporated Greene County at the general election on November 4, 2014:

Shall the Greene County Board of Commissioners have the authority to aggregate the retail electric customers located in the unincorporated areas of Greene County, and for that purpose, enter into service agreements to facilitate for those customers the sale and purchase of electricity, and conversion to the aggregation program will occur automatically except where any customer elects to opt out?

Yes

No

The Clerk of the Greene County Board of Commissioners is instructed to immediately file a certified copy of this resolution and the proposed form of the ballot question with the Greene County Board of Elections not less than 90 days prior to the general election. The aggregation program shall not take effect unless approved by a majority of the electors voting upon this resolution and the aggregation program provided for herein at the election held pursuant to this Section 3 and Section 4928.20 of the Ohio Revised Code.

Section 4. PROCEDURE AFTER AN AFFIRMATIVE VOTE; HEARINGS AND NOTICE OF HEARINGS; OPT-OUT RIGHTS.

Upon approval of a majority of the electors voting at the general election provided for in Section 3 of this Resolution, the Greene County Board of Commissioners, individually or jointly with any other political subdivision, may develop a plan of operation for the aggregation program. Before adopting this plan, the Greene County Board of Commissioners shall hold a least two public hearings on the plan.

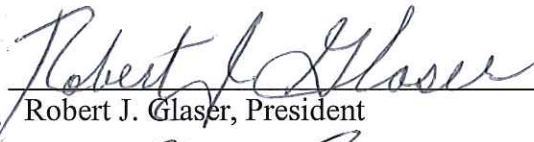

Notice of the hearings shall be published once a week for two consecutive weeks in a newspaper of general circulation in the County prior to the first hearing. The notice will summarize the plan and state the date, time and place of each hearing. No plan adopted by this Board of Commissioners shall aggregate the electric load of any electric load center within the County unless it, in advance, clearly discloses to the person owning, occupying, controlling or using the load center that the person will be enrolled automatically in the Aggregation Program and will remain so enrolled unless the person affirmatively elects, by a stated procedure, not to be enrolled. The disclosure shall state prominently the rates, charges, and other terms and conditions of enrollment. The stated procedure shall allow any person enrolled in the Aggregation Program the opportunity to opt-out of the program at least once every three years without paying a switching fee. Any person that opts out of the Aggregation Program pursuant to the state procedure shall default to the standard service offer provided under division (a) of Section 4928.35 of the Ohio Revised Code until the person chooses an alternative supplier.

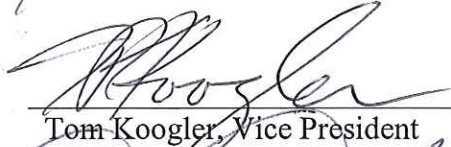

Section 5.

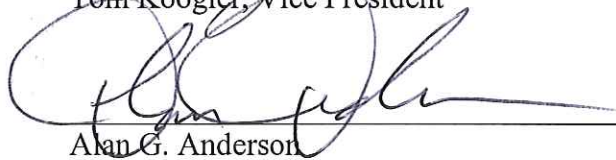

It is hereby found and determined that all formal actions of this Greene County Board of Commissioners concerning and relating to the passage of this resolution were adopted in an open meeting of this Board of Commissioners and that the deliberations of this Board of Commissioners and any of its committees that resulted in such formal actions were in meetings open to the public in compliance with all legal requirements including section 121.22 of the Ohio Revised Code.
