Frequently Asked Questions

What is the Greene County Family Visitation Center?

The Family Visitation Center provides a safe, comfortable and structured place where children can visit with or be escorted to their non-custodial parents.

What Is a Supervised Visit?

A supervised visit is the contact between a child and an adult (non-custodial parent/party) in a safe and family-friendly setting that will be monitored by a professionally-trained visitation monitor to protect the safety and rights of everyone involved.

What are Neutral Exchanges?

Neutral exchanges are for parents who are not required to have supervision during parenting time, but need to be able to make the exchange without interacting with the other parent. During an exchange, a professionally-trained visitation monitor escorts the child through the center from one parent to the other.

Why is time with each parent important for a child?

A child will feel that each parent loves him/her. A child is given the chance to build and keep a relationship with both parents. A child sees that the visiting parent is doing well and that they have not abandoned him/her. Both parents can help the child develop positive self worth and self confidence for a greater chance to be successful in life. Parents are given the chance to provide the child with a positive role model.

What are the Visitation Center hours of service?

The Family Visitation Center Office hours are Monday through Friday 8:00 am-4:00 pm. Visitation and Neutral Exchange hours are Sundays 12:00-6:30 pm, Mondays and Wednesdays 3:00-8:30 pm, Tuesdays, Thursdays, and Fridays 1:00-5:30 pm and limited services by appointment only.

When will I get my first visit or exchange?

The orientation appointment will be scheduled with the visiting parent after the Visitation Center receives the referral. After a successful orientation for the visiting parent, an orientation appointment will be scheduled with the residential parent. After both parties complete an orientation, visitation/exchanges will be scheduled. The visits or exchanges are scheduled based on what time is available on the program's schedule, the referring agency's request, and input from all parties. **Please know that this process can take some time to complete because of the limited orientation appointments available.**

- NOT PERMITTED AT THIS TIME. Parents must request to use the kitchen for food preparation if it is requiring the use of the stove or oven before the day they plan to use the kitchen. The type of food preparation must be simple. Use of the kitchen and oven is dependent on staffing and outside temperatures. Parents are expected to clean any equipment that is used.
- If Xenia or Greene County activates the weather sirens to indicate threatening weather, everyone in the Center will be escorted to the basement (a designated shelter). Adults will have the option to leave the Center if they choose not to go to the shelter. Children will not be permitted to leave the Center with visiting adults. Children will be permitted to leave the Center with the residential parent only. Center staff will not answer the door or the telephone until it is determined the threat has ended. Please seek shelter from severe weather. The nearest shelter is located at the former Xenia Adult Recreation and Services Center, 130 E. Church St., Xenia.

NEUTRAL EXCHANGES

Exchange policies:

- Children may carry a cell phone through the Center for use during visitation time but it must be turned off while in the Center.
- Only one transport party should be entering the Center unless otherwise coordinated with the Center prior to exchange. If either party requires the use of an alternate transport party (ATP), the ATP will be required to complete a mini-orientation and paperwork. **ONLY LICENSED DRIVERS MAY BE ALLOWED TO BE AN ATP.** After completion of the mini-orientation an ATP will be allowed to transport the child(ren) without prior approval. Please contact the Center as soon as possible if you require an ATP that has not had an orientation.
- Car seat checks are done at the discretion of the Staff.
- The Center encourages visiting parents/parties to keep a change of clothing, shoes, and personal hygiene items for each child at their home. The Center will process only one "Return" Request for clothing, other items, and sports activity clothing/equipment. If the party who is being asked to return an item refuses to return it, no additional requests for the item will be processed.

Parenting Time/Visitation Guidelines:

- The Visitation Center will provide each parent/party with a monthly visitation schedule that will follow the guidelines by the referring agency and/or specific Court ordered modifications.
- Child(ren)'s Birthday visitation will need to be requested a month in advance. The Center will not automatically put it on the visitation schedule.
- If you believe there is an error with scheduling or need to make any changes, please let staff know immediately.
- If you are court-ordered to use *Our Family Wizard*, or any other website or app for parenting communication, please do so first and then inform the Center of scheduling decisions so that the Center can work with your plans.

Outside exchanges:

- If both parents/parties decide to do an outside exchange (not at the Center), both parents/parties are responsible for informing the Visitation Center. If you do not call the Center to cancel your scheduled exchange at the Center, it will be recorded as a no-show for the exchange.
- If you are asked to do an outside exchange by the Center because the Center is closed or there is severe weather concerns you will be asked to follow your court order or pick an alternate exchange location. If both parties are unable to agree on a location, the exchange is to occur in the basement of the Xenia Police Department. The Xenia Police Department is aware of the use of their facility as a secondary location.

CANCELLATIONS AND NO SHOWS

- You must ask if you want to be rescheduled due to a Greene County designated holiday closure. Exchanges will be scheduled accordingly as in your court order. Rescheduled visits are subject to availability of the parties and time on the Center's schedule. A list of holidays is located in each waiting area.
- Holiday reschedules must be requested within ten (10) days after the holiday. There are no reschedules of a canceled reschedule.
- Cancellations should be made 24 hours in advance. Less than a 24-hour cancellation notice results in a "late" cancellation. We only share cancellation information regarding the health of a child between the parties.
- No-shows are when one or both parties do not come to the visit or exchange and do not call to cancel. When a party has a no-show or has multiple cancellations, they may be required to confirm their attendance 24 hours in advance of the visit or exchange for a minimum of four (4) weeks.
- Multiple cancellations, late arrivals, and/or no-shows can result in suspension or termination of services.

RECORDS OF VISITS AND EXCHANGES

Reports are completed for each visit and exchange. These reports are compiled with factual information about what occurred during the visit or exchange. The highlights of these reports are compiled and sent to the Court or CS, and attorneys representing the parties, one to two weeks before a court hearing. The Center is not always aware of the dates of hearings. **To ensure this information is received in a timely manner, tell staff if your case has a hearing scheduled in the future.**

TERMINATION OF A VISIT OR EXCHANGE

Your visit or exchange may be terminated:

1. If you arrive suspected to be under the influence of alcohol or drugs,
2. If you make any threat of violence before, during or after the visit or exchange,
3. If you bring a weapon or anything considered to be a weapon (example: knife, box cutter, etc.) to the Center. This includes individuals with Concealed Carry Licenses.
4. If the Center's procedures are not being followed INCLUDING CURRENT HEALTH PROCEDURES DUE TO COVID-19.
5. If staff determines it is in the best interest of the child(ren).

The Visitation Center staff may have to ask you to agree to additional procedures to keep everyone in the Center safe.
